Audit Committee Member

Description

The Audit Committee conducts an annual review of our finances for the preceding year. This task oriented committee is active for two to three weeks per year each winter as they review the final financial numbers for the congregational report. The Audit Committee consists of three voting members and is elected by the Congregational Council. Audit Committee members cannot be members of the Church Council.

Timeframe

- o The Audit Committee is a three year term. One new member of this committee is elected each year. Members are eligible for re-election.
- o Total time commitment is about 3-4 hours per year.

Training/Qualifications

Understanding of budget and finances is necessary for this position.
