GSLC Channel One Food Drive Organizer

Description

The Channel One Food Drive Organizer gathers information for the current year's drive and plans for the event along with the other members of the Social Ministry Team. The most important part is trying to make it fun and motivating people to donate either food or money. Most of the information along with handouts and drive ideas can be found at www.gmcc.org/foodshare. A small amount of coordinating with Channel One for the delivery and pick up of drop bins is required.

Timeframe

The Drive is Minnesota Food Share and is held during the month of March. A couple of weeks prior to that are spent on planning for the event and organizing details so a total of 6 weeks is asked.

The Social Ministry Team is currently scheduled to meet on the second Tuesday of each month at 1:00 PM at Panera South. This group met in the evenings in the past. This is just the time that currently works for the members of the team. Meetings typically last an hour. The Channel One Food Drive has been organized by this team for the past several years. This could however be handled by a separate person just interested in this specific event.
